Subject: 10:00 Briefing update and updated list of predicated DT subjects
Attachments: U_LES_Predicated_Subjects_Travelers___20200106.xlsx

From CTS...

There are no credible threats as of the 10:00 brief.

■ Guardians were opened and 20 of those were closed.

There are reports about 18 predicated subjects traveling to DC but of those 6 are now not going to be traveling

Finally, I have attached the updated list of predicated subject that DTOS shared.
